## **Highlights from our General Meeting on Tuesday, February 7**

About 50 Knights attended the meeting at which the Trustees reported that the semi-annual audit (July-Dec) was completed and the accounts of the council were found to be in order.

Brother Sandy Duff reported on the visits made to our sick and shut-in members. A recipient of these visits, Brother Tony Freitas, spoke to the members about the power of prayer and thanked the members for their prayers for him and his wife.

Brother Leroy Blake reported that the parish refugee fund had a surplus large enough to sponsor a third refugee family and efforts are underway to do so soon.

Sponsored by our Lecturer, Brother Pierre Chartier, the council passed a motion to solicit support for the creation of five new mysteries of the Rosary to be known as the Miraculous Mysteries.

The results of the **Fraternal Survey 2017** showed that the council spent **\$25,000 on Activities; Charitable Disbursements were \$12,000** and **members volunteered 3500 hours** in the parish and in the community.
